CAREER OBJECTIVE

Enthusiastic and detail-oriented Biology Teacher with an M.Sc. in Zoology (CGPA 7.35) and a B.Ed. in Biology currently in progress at Vel College of Education (Amalgamated by Tamil Nadu University of Teacher Education, Chennai). Seeking an opportunity to teach Biology at the school level (CBSE / State Board), backed by strong subject knowledge, practical internship experience in pisciculture and agricultural science, and multiple professional certifications in AI, Data Science, and Business Communication. Committed to making science learning engaging and helping students achieve strong academic results.

EDUCATION

Bachelor of Education (B.Ed.) — Biology **2024 – 2026 (Pursuing)**

Vel College of Education, Amalgamated by Tamil Nadu University of Teacher Education, Chennai

Master of Science (M.Sc.) — Zoology **2023 – 2025**

Jamal Mohamed College (Autonomous), Tiruchirappalli | CGPA: 7.35 / 10

Bachelor of Science (B.Sc.) — Zoology **2020 – 2023**

Bishop Heber College (Autonomous), Tiruchirappalli | CGPA: 6.65 / 10

KEY SKILLS

Subject Knowledge: Zoology, Biology, Life Sciences, Ecology, Marine Biology, Wildlife Conservation, Environmental Science

Lab & Field Skills: Foldscope Microscopy, Specimen Preparation, Pisciculture Methods, Pond Management, Green Fodder Production

Research Skills: Scientific Observation, Data Recording, Report Writing, Experimental Design, Literature Review

Teaching & Communication: Lesson Planning, NCERT / CBSE Curriculum, Pedagogy (B.Ed.), Micro Teaching, Effective Presentations, Business Communication

Technology: AI Fundamentals, Data Science & Analytics, Presenting Data, MS Office, Basic Digital Tools

Soft Skills: Team Collaboration, Time Management, Adaptability, Problem Solving, Attention to Detail

PROJECTS & RESEARCH

Assessment of Adulterations in Local Vendor Milk Samples of Tiruchirappalli City **2023 – 2025**

M.Sc. Project | Jamal Mohamed College (Autonomous), Tiruchirappalli

- Post-graduate research project examining common adulterants present in milk sold by local vendors across Tiruchirappalli city.
- Involved sample collection, laboratory testing, and analysis to assess milk quality and safety for public health.

Biodiversity of Insects from Three Selected Areas in Tiruchirappalli District **2020 – 2023**

B.Sc. Project | Bishop Heber College (Autonomous), Tiruchirappalli

- Undergraduate group research project surveying and documenting insect biodiversity across three distinct sites in Tiruchirappalli District.

INTERNSHIPS & FIELD TRAINING

Trainee — Green Fodder Production & Dairy Value Addition

2021

VUTRC | Skill Training of Rural Youth Scheme, Tamil Nadu

- Received hands-on training in green fodder cultivation, preservation methods, and value addition techniques for dairy products.
- Developed practical understanding of farm management, soil preparation, and rural agricultural best practices under expert supervision.
- Gained insight into the nutritional science of animal feed and its impact on dairy productivity.

Trainee — Pisciculture & Aquaculture Techniques

2022

KPK Fish Farm, Tamil Nadu

- Studied and practised fundamental freshwater fish farming methods including pond preparation, stocking, and feeding protocols.
- Observed fish health monitoring, disease prevention measures, and post-harvest handling procedures.
- Gained field exposure to water quality management and sustainable aquaculture practices.

CERTIFICATIONS

- Effective Presentations — HP LIFE Online (Nov 2024)
- Business Communications — HP LIFE Online (Nov 2024)
- AI for Beginners — HP LIFE Online (Dec 2024)
- Data Science & Analytics — HP LIFE Online (Dec 2024)
- Presenting Data — HP LIFE Online (Dec 2024)
- Life Sciences Litigation Job Simulation — Goodwin, via Forage (Jul 2026)

KNOWLEDGE ACQUISITION EVENTS

- Workshop on Foldscope: Technology and Its Uses (2022) — Organized by the Ministry of Culture, Government of India and Tamil Nadu Science and Technology Centre. Gained practical exposure to portable microscopy technology and its applications in field biology and science education.

SEMINARS & CONFERENCES ATTENDED

- Wildlife Conservation — Conservation biology, protected area management, biodiversity monitoring, and human-wildlife conflict resolution.
- Marine Fisheries of India & Research Activities of CMFRI — Overview of India's marine fisheries sector and sustainable fisheries management research.
- Value Added Course on Employability Skills — Workplace communication, interview preparation, and career planning.

AREAS OF INTEREST

- Human & Animal Physiology and Anatomy
- Environmental Science
- Research and Laboratory Techniques
- Forest Ecology, Silviculture, Forest Management, Forest Health and Forest Products

HOBBIES

- Reading Books
- Watching Subject-Related Videos on YouTube
- Listening to Music
- Drawing in an Innovative Manner
